This annual essay contest is organized in an effort to harness the energy, creativity and initiative of the world's youth in promoting a culture of peace and sustainable development. It also aims to inspire society to learn from the young minds and to think about how each of us can make a difference in the world.

* This program is an activity of the UNESCO Global Action Programme (GAP) on Education for Sustainable Development (ESD).

THEME

"Learning from Nature"

Modern civilization has developed through controlling nature and exploiting its resources. At the same time, we human beings are part of the natural world, and nature has many things to teach us. Scientists, philosophers, poets, and artists have all found inspiration in nature. What can we learn from nature, and how can we make use of that learning for the future? Please describe your ideas, including your own observations and experiences.
