The ESDSS besides having both online and offline data entry utilities have robust validation checks, online approval of data at various levels and reporting from the districts. All the ASC time series data is now available through ESDSS for general public on the E&SE department website (www.kpese.gov.pk).

The report is divided into four parts. Part-I of the report consists of executive summary, Part-II comprises provincial statistics ranging from number of schools, enrollment, teachers and analysis, Part-III covers district-wise statistics and Part-IV consists of the questionnaires used during the census.

This report consists of all commonly used and probable data analysis and reports according to the needs of data users. Analysis of data has been made so as to make it user-friendly and helpful for the planner, researchers, students and academicians. In addition, customized reports can be generated with reference to various aspects of educational institutions.
